5:30 Open with a season of prayer

Minutes: John Walsh late did not get minutes from March meeting will approve at May Secretariat meeting.

President-Lisa Russo: Weekends went well. Mike McCardle and Jackie O'Connor did a great job.

Financial Secretary- Pamela Siemen: submitted report. (Attached) Discussion of confusion over how many people Monforts charged us for on the weekends. Confirmed that 81 people attended. Lisa Russo volunteered to call and find out where the mix up is happening. The discrepancy is as follows: 2 men team; 1 woman team; 2 candidates.

Treasurer-Joe Gricco: Did not write any checks since last Secretariat meeting. Told Financial Secretary that he needs money transferred to checking account.

Pre-Weekend-Tina Leahy: Continuing to work on syncing the various Tres Dias books and Master schedule. Removed the Rector/Rectrix books from the web page and will give disc with books on them (for Chief's to print out.) to new Rector/Rectrix, Chief Aux, Chief Kitchen and Chief Music instead of hard copy. This way there will be no confusion of old books being distributed and Chiefs can personalize them, also there will be no problems with them handing back the material given them incomplete for the next Chief.

Will announce Boot Camp May 1, 2010 at tonight's secuela.

Weekend-Cynthia Coletti, Julie Cimino: Checked the supplies for next weekends and have pilgrim guides, crosses and bibles for the Fall weekends. Will be making a date to go to the closet and clean it out. Joann Siclare volunteered to help.

Rector/Rectrix-Ruth Campbell: Reported that Team Approval was held at First Baptist Church of Babylon on 4/8/10 with Mike Kiesling and Pamela Siemen. Reported that Mike Kiesling wanted exception for Doug Martin to be his Chief Aux (he has worked on the last 2 weekends.) and John Walsh for Chief Aux (he has never worked Aux) Discussion ended with conclusion that it is too early in Team selection to make exception and that alternative people should be sought out. Will announce new Rector/Rectrix at tonight's secuela.

International-Sтивен DeCillis: submitted article for newsletter and reported that 2 new communities have been added to International Tres Dias. One community is in Colorado and the other in Denmark. Also reported that the Assembly for 2012 is scheduled for Korea and they are trying to charter a plane and set up housing for the people attending.

RectorTDM#73-Mike McCardle Had the "Best Weekend Ever.

Verbally presented critique from his weekend. Will submit copy to Secretariat at May Secretariat meeting to be attached to minutes.

Discussion about "Forgiveness Prayer"

Conclusion that it should be prayed about by each current Rector and Rectrix and up to them if they want to incorporate this into their weekend.

Rectrix TDW#75-Jackie O'Connor had "Best Weekend Ever. Will have critique at 6:30 pm tonight and will present to Secretariat at the May meeting.

Next Rector-Mike Kiesling: Asked Secretariat for exception to be made Doug Martin to be his Chief Aux (he has worked on the last 2 weekends.) and John Walsh for Chief Aux (he has never worked Aux) Discussion ended with conclusion that it is too early in Team selection to make exception and that alternative people should be sought out.

Ended by prayer: (Don't remember who?)
